

Sponsorship/Donation Request Form

Valued Requester,

Aqualectra wants to thank you for your interest in our company and your request for a contribution to your organization.

Aqualectra's sponsoring and donation policy is designed to support the vision and mission of the company. The company's vision is to "deliver reliable and high-quality water and power which are produced and distributed safely and cost-effectively, while maximizing the use of sustainable technology and demonstrating a high level of Corporate Social Responsibility (CSR) and commitment to the community of Curaçao and its relevant stakeholders".

It is with the Corporate Social Responsibility in mind that Aqualectra commits itself to provide donations and sponsorship. While we cannot honor every request, we do carefully consider each. Most of our funds are committed. We require certain information in order to evaluate any sponsorship/donation request and only accept requests via this form sent to info@aqualectra.com with the name of the organization and the event in the subject line.

If you would like to make a request, please fill out the form below (digitally) making sure that all questions are answered. Incomplete requests with missing criteria will not be considered.

All sponsorship/donation requests must be submitted at least 30 days prior to the date needed. Aqualectra will evaluate all requests, based on the donation and sponsorship policy which is available on the Aqualectra website www.aqualectra.com. Review sessions are usually held weekly.

Aqualectra will inform the applicant in writing of the decision and will motivate the decision extensively.

Aqualectra Management.

Sponsorship/Donation Request Form
